Installation Instructions

IMPORTANT: Please make sure to **disconnect the power supply to the area before beginning the installation.**

- 1) ****Remove the plastic film covering the base of the chandelier. ****
- 2) **Try to keep ALL the strings in the small bags. This will help with a much easier installation.**
- 3) Install the light bulbs.
- 4) Remove the cross bar from the chandelier base by removing the 4 chrome locking nuts.
- 5) Secure the cross bar to your existing electrical outlet. You might need to drill pilot holes in the cross bar to ensure a proper fit with your existing electrical outlet.
- 6) Connect the electricity and attach the chandelier base to the ceiling.
- 7) Secure the chandelier base to the ceiling by screwing in the 4 chrome locking nuts removed in step 4.
- 8) **Remember to try to keep all the strings in the bags until you are ready to hang the crystals.**
- 9) Carefully unravel the strings one bag at a time and attach a crystal ball to each string. Be sure to take your time to avoid any tangles.
- 10) Finally hang the crystal balls. TIP- Start from the inside and work your way outward.
