5-Year Limited Warranty Statement For Manufacturing Defects

1. Please be sure to register your product at our website to receive up to date warranty and product information.

2. Your Assemble Metal Platform Bed comes with 5 year warranty against manufacturing defects that may compromise the sleep quality provided by the Metal Platform Bed. The warranty starts on the date of purchase. No warranty will be honored without an original sales receipt.

The warranty and financial responsibility of the manufacturer only applies to the Metal Platform Bed itself and does not extend to mattresses that are used on the Metal Platform Bed.

3. Manufacturing defects include circumstances where Metal Platform Bed has broken under normal use and no longer provides proper support for your mattress. Proper support is defined as a smooth, flat, rigid surface. In the event you encounter a manufacturing defect, please stop using this product immediately and call customer service.

4. This warranty applies only when the Metal Platform Bed has been properly used by consumers who purchased the Metal Platform Bed from authorized dealers as a new product. Proper use means using the foundation on a level surface with an equal distribution of weight. Proper use also means that Metal Platform Bed was not abused by the consumer, as defined by the manufacturer. This warranty does not constitute agreement to replace other parts.

5. If the Metal Platform Bed fails due to manufacturing defects, the manufacturer will repair or replace at its discretion and reserves the right to substitute comparable materials or models and does not guarantee that the replacement part will match the existing piece or foundation.

6. In the event Metal Platform Bed needs to be inspected by the manufacturer to determine a warranty claim, the transportation cost or removal cost is borne by the consumer.
