

## SE1900 Computerized Sewing & 5x7 Embroidery Machine

### Embroidery features and benefits:

- 5"x7" embroidery field provides ample space for larger designs and lettering, and for combining designs with less rehooping
- Includes a 5"x7" hoop, embroidery arm and embroidery foot
- Large, 3.2" Sew Smart color LCD touch screen display allows you to view your designs in full color before stitching
- 138 built-in embroidery designs including beautiful decorative alphabet, borders, holiday, florals and kids designs
- 7 embroidery lettering fonts for personalizing your creations
- 10 frame shapes with 14 stitch patterns for adding embroidered borders around your designs
- Drag and Drop feature allows you to move and position designs on the touch screen display with just a touch of your finger
- Use the built-in color palette to change individual thread colors in embroidery designs, and view on screen before stitching
- Add and edit multiple designs and fonts on the large LCD screen, to visualize and align multiple designs before stitching
- Embroidery editing features include resize, move, mirror image and rotate
- Embroidery lettering editing features allow you place lettering in an arc, place lettering on two lines, and more
- Save your edited designs to the built-in memory or to a USB stick through the built-in USB port (USB stick not included)
- Import your own .PES design files using the built-in USB port, for virtually unlimited design options. (USB stick not included.)

### Sewing features and benefits:

- 240 built-in sewing stitches, including beautiful decorative stitches and 10 styles of one-step, auto-sized buttonholes
- 3 built-in sewing lettering fonts
- Expanded 7.4" w x 4.1" h needle-to-arm workspace provides more room for quilts and bulkier sewing projects
- Longer 7-point feed dogs help provide smoother fabric feeding
- Drop feed for free-motion sewing
- My Custom Stitch™ allows you to design your own sewing stitches
- 7 sewing feet, with buttonhole, overcasting, monogramming, zipper, spring action zigzag, blind stitch, button sewing feet

### Machine features and benefits:

- Metal interior frame
- Advanced needle threading system threads the needle for you with the touch of a lever
- Thread cutter button allows you to cut the threads at the end of stitching with the touch of a button
- 2 super bright built-in LED lights illuminate the workspace around the needle area
- Built-in bobbin thread sensor displays a message on the LCD screen alerting you when you're low on bobbin thread
- Clear-view bobbin cover and bobbin allow you to see when the bobbin is running low on thread
- Quick-set™ bobbin system makes it easy to insert your bobbin
- Built-in animated tutorials guide you through threading the machine, inserting the embroidery hoop and more
- Automatic bobbin winding system produces an evenly wound bobbin for optimal sewing
- Instruction manual in English and Spanish
- 25-year limited warranty with free customer phone technical support for the life of your product
