KitchenAid® Flex Edge Beater

KFE5T

Exceptional Performance

Thorough, Fast Mixing

Great scraping performance for more thorough, faster ingredient incorporation.

Enduring Design

One-sided wiper

The simple one-sided Flex Edge ensures the integrity of the mixer. It also makes an excellent tool to wipe the bowl clean when pouring finished batters and frostings from the bowl.

Coated metal beater

The first and only coated metal flexible edge beater will last for many years and is dishwasher safe.
