

# PIETRE DEL NORD™

6 Colors

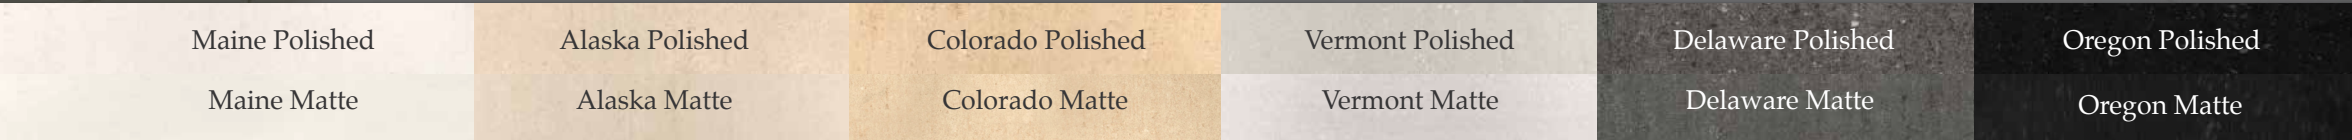

2 Finishes

3 Sizes

3/8" Thickness

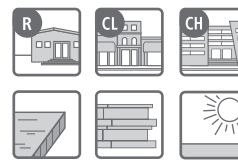

Pietre Del Nord™ Maine Polished 24"x24" • Grid pattern

The Pietre del Nord™ series, the latest in porcelain stoneware, utilizes a special "Double Loading" technique that makes it possible to create exceptionally beautiful surfaces in a wide range of colors.

Pietre del Nord™ porcelain tile is as unique as natural stone with veining that runs through the entire tile body. This series is available in three unique sizes and two beautiful finishes (matte and polished). The three sizes can be used to create several unique and interesting patterns.

## DOUBLE LOADED PORCELAIN

## Color shade variation

**Suggested patterns.** Diamond, Grid, Offset

**Grout joint recommendation.** 3/16"

Please refer to pages 286-289 for technical details

## Technical specifications

TEST	ASTM	RESULTS
Abrasion Resistance	C1027	V
Breaking Strength	C648	Polished ≥ 500 lbf. Matte ≥ 700 lbf.
Chemical Resistance	C650	RESISTANT
Water Absorption	C373	≤ .5%
Coefficient of Friction	C1028	Polished Dry ≥ .80   Wet ≥ .50 Matte Dry ≥ .80   Wet ≥ .60
Freeze-Thaw Cycling	C1026	RESISTANT
Scratch Hardness	MOHS	7
