**GAMES**

**GAME - 1**

- Press (MODE) button once, "GAME-1" will appear on display. Press (MODE) button again to start playing GAME-1.
- You will hear sound "Come on!" Shoot the Target once. The Target Board will not fall down. Get ready to play this Game 4 times in a row before it ends. You will hear countdown: Three Two One
- Shoot at the Target Board immediately within 1 second after this countdown announcement. The Target will fall down and will announce "EXCELLENT". Then you may go ahead the third, the forth, the fifth shoot to repeat the same action.

**REMEMBER:**

- Every time the Target is hit, it will announce "EXCELLENT".
- Among second, third, forth or fifth shot, the Target must be shot within 1 second.
- If the Target is shot after one second, The Target board will Fall downbut will not make any announcement.
- Between second, third, forth or fifth shot, the TIMER on Display will work for 19.99 seconds. If the Target is not hit within this time, The Target Board will fall down with sound "AWWWWW".

**GAME-2**

- Press (MODE) button, "GAME-1" will appear on the display, then press (SET) button to switch to GAME-2, finally press (MODE) button again to confirm and to start Playing Game -2.
- You will hear sound "Come on!", Shoot the Target once. The target will not fall down. Get ready to play this Game 5 times in a row before it ends.
- Shoot the Target second time when you hear READY and display shows 00. If Succeeded, you will Hear "GOOD JOB" For every subsequent successful Shot, it will announce, GOOD JOB, EXCELLENT and finally FANTASTIC on 5TH Shot. The score on Display Board will keep changing 00, 01, 02, 03, 04, 05 with each successful shot. If any shot is missed, Target Board will Fall down with sound "AWWWWW".

**REMEMBER:**

- When we enter the GAME-2 mode and the target stands up, the target will fall down automatically if you do not shoot the target within 1 minute.
- Between any subsequent shots second, third, fourth for fifth, the target will fall down automatically if you do not shoot the target within 5 seconds.

**NOTE: IF AT A RANGE OF 4 FEET OR CLOSER, THE INFRARED REMOTE TECHONOLOGY WILL WORK EVEN IF THE GUN IS NOT POINTED AT THE TARGET. MAXIMUM RANGE FOR THE GUN TO WORK EFFECTIVELY IS 12 FEET.**
