## Assembly Preparation

**Before Beginning Assembly:**

- Read instructions, cover to cover-
- Have 2 adults on hand for assembly-
- Do not assemble on flooring or carpet-
- Assemble on a clean non-marring surface (packing foam)-
- Save all packaging until finished-

## Assembly Steps

### Overview

This Swivel Club Chair has multiple parts and may require up to 30 minutes to assemble. To give you an overview of the Swivel Club Chair parts, the above picture is to help you put the various Swivel Club Chair parts into perspective. Please read through the instructions to familiarise yourself with the parts and steps before assembly.
Step 1

Turn the swivel by 45° first until can see the four mounting positions.
Place the Chair(A) face down onto a flat, clean, non-marring surface.
Align the Chair(A) to the notch of the Swivel(C) with your partner.
Attach the Chair(A) and the Swivel(C) using Bolts(2) and Washer Ring(3) with Allen Key(1).
Step 2

Position the Chair(A) right side up as shown above.
Put Seat Cushion(B) on Chair(A). It can stick Seat Cushion(B) on Chair(A) with velcro (Black Color).

Position Chair right side up and test for stability.
**Note:** The use of Washers(③) are OPTIONAL and are especially useful to help alleviate slight wobbles. Some Bolts may need more than one Washer(③) whilst some Bolts may not need any Washers(③).
Add or remove Washer Rings where needed to achieve stability.

Step 3

Your Swivel Club Chair is ready for use.
**This Swivel Club Chair can only be used on a flat, level surface.**
Cleaning Step 1

Cleaning Cover process:
Unzip the Cover from back of Chair. Open the Cover toward right & left separately. Take off the Cover for cleaning.

Cleaning Step 2

To put on the Cover:
Align the Cover and the Arms of the Chair, then pull Cover over the Backrest of the Chair. ZIP the Cover at the back.
## Care & Maintenance

- Do not put hot items directly on furniture surface.
- Do not clean furniture with harsh cleansers or polish.
- Do not place furniture under direct sunlight.
- Do not place furniture near heating or cooling vents.
- Do not write on furniture without a padded barrier to protect the surface.
- Do not place furniture outside. For indoor use only.
- Not for commercial use. For residential use only.
- Stains may be removed with mild soap solution and damp cloth.
- Children should not climb or jump on the furniture.
- Dust and pick-up spills using a clean, non-colored, lint-free cloth.

---

### What is Proposition 65?

Proposition 65 is a California law that requires warning labels on products that may contain one of more than 800-plus chemicals or ingredients that the California Office of Environmental Health Hazard Assessment (OEHHA) has deemed to cause cancer or other reproductive toxicity. Chemicals and elements on this list include wood dust, brass, and other everyday substances, which can be found in very common household items, such as: lamps, tableware, jewelry, crystal glasses, electric cords, beauty products, automobiles, and furniture.

**Why Did I Find a Proposition 65 Warning on My Home Goods Product?**

We include Proposition 65 warnings on all of our products because there is always a chance that one of the 800-plus common chemicals and ingredients listed under this law could potentially be on our furniture or packing materials. We risk large fines under this law if we don't include this
on our furniture or packing materials. We ask large fines under this law, if we don't include this
warning.

Should I worry?
We realize you may be worried finding this warning on our products, but we want to reassure you
that the hazardous exposure limits for any of these chemicals have never been found on furniture
products that we've shipped to our customers. Additionally, this warning label is very common and
can be found on almost every piece of furniture sold in the state of California.

Just How Common Are Proposition 65 Warnings?
Proposition 65 warnings have become so common in California that it is hard to take a trip to a
local bank, grocery store, or restaurant without finding at least one warning. In fact, even the
Disney Land Resort has a Proposition 65 warning:

WARNING:
The Disneyland Resort contains
chemicals known to the state of
California to cause cancer and birth
defects or other reproductive harm.

Proposition 65,
California Health & Safety Code
Section 25249.6 et seq.
