

Roller-Carrier™ Pet Carrier

Description

- **It's a Roller Bag** - The Smart-Level™ platform will not tip but keep your pet on a flat comfortable surface even when you are pulling behind you.
- **It's a Backpack** - Throw it over your shoulders for a quick trip over rough terrain
- **It's a Portable Den** - Lay it down on its' side to give your pet a familiar resting area anywhere you go.
- **It's a Car Restraint** - Easily attaches with seatbelt.
