Enjoy comfortable warmth anywhere in your home with the Cambridge Sorrento full-surround fireplace mantel with electronic fireplace insert. The forced-air electric heater insert features 2 heat settings, timer and handy remote control. With log and flame effect, this transitional unit gives you the cozy ambiance of a traditional fireplace with no smoke or mess. In addition, the full-surround mantel also functions as a media center. The mantel top accommodates up to a 50-inch flat panel TV, an open shelf houses electronic components, plus space-saving storage compartments hidden behind cabinet-style doors provide room for games and DVDs.

Available in **Cherry (CAM5021-2CHR)**, **Mahogany (CAM5021-2MAH)**, **Teak (CAM5021-2TEK)** and **White (CAM5021-2WHT)**
