

SHIPPING & TERMS

Shipments will be handled by a local Brunswick Billiards authorized dealer, which includes on-site delivery and installation in the room of your choice.

Your pool table can be delivered to you within 6 weeks of placing your order. Should additional time be required for final delivery and installation, Brunswick or a representative from your local authorized dealer will provide written notice to you.

Within 10 business days of placing your order, a representative from your local authorized dealer should contact you to schedule a convenient delivery time. You will receive an "Installation Date Confirmation" via phone, fax or e-mail from the dealer notifying you of your agreed delivery date and time. On the agreed delivery day, the dealer will deliver the product to your home and set up the product to your satisfaction in the room of your choice.

After your products are installed, you will be asked by the Brunswick Billiards authorized dealer to sign a "Delivery & Installation Confirmation Form". This verifies that the dealer has delivered and installed your products to your satisfaction and completes the order process. Due to liability issues, your Brunswick Billiard authorized dealer may deliver but may not install a wall cue rack, back bar, or a billiard light.

Extraordinary delivery requirements may necessitate an additional fee to the carrier.

Delivery does not include disposal of packaging.

Delivery is not available to Puerto Rico, Alaska or Hawaii.
