

PLC1 Six light vanity from the Sitra collection

Product Description:

This 6 Light Vanity from the Sitra collection comprises of six individually encased lights in one which makes it an ideal choice for a bedroom or bathroom area where precise additional lighting is required. The modern styling of the polished chrome holders complete with the clear glass are elegant and understated making this vanity the perfect addition regardless of your current decor. Measuring 33" across and 5" in height and powered by six 5 watt energy and money saving LED bulbs which can be dimmed to ensure projection of just the right amount of light. The polished chromel finish and clear glass are a perfect complement to one another and this is one vanity that exudes pure class and totally affordable quality.
